

ing Act of 1946 (7 U.S.C. 1621 et seq.), the Secretary of Agriculture shall:

“(1) Take into account the impact of those standards on the ability of perishable commodity growers to reduce the use of pesticides.

“(2) Provide for citizens outside of the perishable commodity industry fair and reasonable opportunity to formally petition a change in grade standards.

“(3) Provide for a comment period after a formal petition to change grade standards has been made to enable all interested parties to submit information. The Secretary of Agriculture shall evaluate the information and consider it in the revision process.

“(4) Provide interested parties with annual status reports during the period 1992 through 1994, updated upon request, on all pending grade standard changes the Department of Agriculture is considering.

“SEC. 1354. AUTHORIZATION OF APPROPRIATIONS.

“There are authorized to be appropriated to carry out the activities required under this subtitle, \$4,000,000 for each fiscal year.”

CODIFICATION

Section was enacted as part of the Grain Quality Incentives Act of 1990, and also as part of the Food, Agriculture, Conservation, and Trade Act of 1990, and not as part of the Agricultural Marketing Act of 1946 which comprises this chapter.

§ 1623. Authorization of appropriations; allotments to States

(a) In order to conduct research and service work in connection with the preparation for market, processing, packaging, handling, storing, transporting, distributing, and marketing of agricultural products as authorized by this chapter, there is hereby authorized to be appropriated the following sums:

(1) \$2,500,000 for the fiscal year ending June 30, 1947, and each subsequent fiscal year.

(2) An additional \$2,500,000 for the fiscal year ending June 30, 1948, and each subsequent fiscal year.

(3) An additional \$5,000,000 for the fiscal year ending June 30, 1949, and each subsequent fiscal year.

(4) An additional \$5,000,000 for the fiscal year ending June 30, 1950, and each subsequent fiscal year.

(5) An additional \$5,000,000 for the fiscal year ending June 30, 1951, and each subsequent fiscal year.

(6) In addition to the foregoing, such additional funds beginning with the fiscal year

ending June 30, 1952, and thereafter, as the Congress may deem necessary.

Such sums appropriated in pursuance of this chapter shall be in addition to, and not in substitution for, sums appropriated or otherwise made available to the Department of Agriculture.

(b) The Secretary of Agriculture is authorized to make available from such funds such sums as he may deem appropriate for allotment to State departments of agriculture, State bureaus and departments of markets, State agricultural experiment stations, and other appropriate State agencies for cooperative projects in marketing service and in marketing research to effectuate the purposes of this chapter: *Provided*, That no such allotment and no payment under any such allotment shall be made for any fiscal year to any State agency in excess of the amount which such State agency makes available out of its own funds for such research. The funds which State agencies are required to make available in order to qualify for such an allotment shall be in addition to any funds now available to such agencies for marketing services and for marketing research. The allotments authorized under this section shall be made to the agency or agencies best equipped and qualified to conduct the specific project to be undertaken. Such allotments shall be covered by cooperative agreements between the Secretary of Agriculture and the cooperating agency and shall include appropriate provisions for preventing duplication or overlapping of work within the State or States cooperating. Should duplication or overlapping occur subsequent to approval of a cooperative project or allotment of funds, the Secretary of Agriculture is authorized and directed to withhold unexpended balances on such projects notwithstanding the prior approval thereof.
